SERVICE DIRECTOR'S REPORT

- There have been no problems in the park.
- Village Hall grounds are in good condition and mulching of the beds is nearly complete.
- The Memorial marker under the flagpole needs to be more permanently placed and that will be done in the fall.

OLD BUSINESS

- Luke Revnew will be building two new picnic tables for the park for his Eagle Scout project. The paperwork has been completed and he will be soliciting funds to offset costs.
- The Bocce League opening date has been pushed back one week to allow the construction of a court in Chagrin Falls River Run Park. This is a self-sustaining group and will require no Village funds. There are 18 teams this year and the new court will allow more time for friendly competitive play.
- Ken suggested that Molly Gebler be contacted to help locate a leader for Meditation and/or Tai Chi in the park.
- With the generous help of Mike Neumanitis and Ken Kvacek our "Movie Night in the Park" is ready. The children will get to choose between two Disney movies to be shown on the screen and popcorn will be provided by Ken.
- The park board will be updated with a calendar of events and Bocce information. Keys for the board are with both the Service Director and the Administrative Assistant.

NEW BUSINESS

- There will be no July Council meeting.
- The next Parks meeting is scheduled for July 12th at 10:00 a.m.
