- Bonnie Goldston
- Dale Berger, Service Director

Also in Attendance: Ken Kvacek, John Bourisseau and Alex Goetsch

SERVICE DIRECTOR'S REPORT

- After many Bocce League evenings and a concert, the Park remains consistently clean thanks to the residents and attendees. The Service Department is then free to mow regularly.
- Village Hall grounds are in good condition thanks to the Service Department and the help of Steve and Karl Breimaier. These young men donated their time cleaning and weeding the beds and brick patio in front of Village Hall. Steve was donating his time as part of his community service requirement for his school. The efforts of both young men are greatly appreciated.
- The Council Chamber ceiling tiles show evidence of some leakage. The tiles will be replaced and the roof looked over for missing or loose shingles.

OLD BUSINESS

- Two Eagle Scout projects are underway. These will provide two new picnic tables for the Pavilion and two benches and a smaller table for the Bocce Court area.
- Hopefully, the old Bentleyville School bell will be restored, mounted and placed on Village Hall grounds. This project is also being developed by an Eagle Scout.
- The Cheerful Hours have been well attended. The movie was not attended at all.
- Tuesday, 08/01 the band No Moss played to a large crowd. Parking was a problem. This will be addressed for future events.

NEW BUSINESS

- Safety Day is scheduled for Sunday, August 20th in the Park from 1:30 – 3:00 p.m. A demonstration of fire extinguisher use will be presented by Chagrin Falls Fire Department. Fire engines, police cars along with an old car will be there for the children to sit in and rides in the old car will be available for the children. Balloons, cookies, juice boxes and water will be there for all to enjoy.
- The Village, in conjunction with Chagrin Falls, will host a garage/yard sale on Saturday, August 16th from 9:00 a.m. – 5:00 p.m. Residents are encouraged to register with the Village. A list of locations will be made available in the vestibule of Village Hall.
- Plans continue for the annual Clambake. Members of the Administrative Staff and Police Department (along with a guest) will be invited as guests of Council. The proceeds from the Clambake will be used to provide new lighting for the holiday events.
- Booville is well attended each year. Every effort will be made to continue to improve the event.
- The next Parks meeting is scheduled for September 13th at 10:00 a.m.
