ATTENDEES

- Kathleen Esposito
- Kathleen Hale
- Bonnie Goldston
- Lloyd Nagle, Service Director

Also in Attendance: Ken Kvacek, Council Member

The meeting was called to order at 10:25 a.m.

SERVICE DIRECTOR'S REPORT

- Lloyd reported that the dog waste bags are being used. However, there are a few slackers. The Committee recommended placing a sign near the pavilion that will read "Reserved for Yoga classes – no dogs please". We hope this will help.
- The Service Department sprayed the pavilion for bees.

OLD BUSINESS

- Some residents did not receive a Village newsletter. Debbie did not know the reason. Perhaps we need to find out more information.
- A sign was placed at the park advertising the July 17th concert.
- Yoga-in-the-Park has been well attended. An inquiry was made about continuing through the month of August. A decision will be made in the next week.
- Bocce is going very well. Ken stated that the Bentleyville team is behind.

NEW BUSINESS

- The Clambake Committee needs to meet before the end of the month. Kathleen Esposito will contact Jeff and Patty Widmar to get the planning underway.
- Chief Barone will provide an officer to help facilitate parking on the evening of the concert. Bocce will also be going on that evening.
- The Booville Committee will be getting organized by the end of July.
- Santa has been confirmed for the Holiday Lighting event.
- The Chief reported to the Chairman of this Committee that a resident complained about the refundable deposit the Village requires for use of the long folding tables. The Committee discussed his complaint and found that the deposit is not unreasonable. Bonnie suggested that a delivery and pick-up fee should also be charged. The amount of this fee would be set between \$10.00 -\$15.00. This fee would not be refundable. We will research how other communities address the issue. We will then revise our methods and place the information in the next newsletter.

The next meeting is scheduled for August 8, 2018 at 10:00 a.m.

The meeting was adjourned at 10:55 a.m.

Respectfully submitted by Kathleen Esposito, Committee Chair
