

CURBSIDE RECYCLING IN BENTLEYVILLE

Waste Management provides curbside recycling every other week for village residents. Combine cans, cartons, glass, paper and boxes plus plastic bottles and jugs loose (unbagged) in the provided wheeled cart.

Combine these items in your curbside recycling:

- **CANS:** Includes all metal food and beverage cans such as pop, beer, soup, vegetable, and tuna. Cans should be emptied, rinsed, and then recycled.
- **CARTONS:** Includes milk, juice, soup and broth plus wine cartons. Cartons should be emptied and rinsed. Replace the cap and place in your curbside recycling.
- **GLASS:** Includes glass food and beverage bottles and jars. Empty, rinse and replace the lid before recycling. You do not need to remove the label.
- **PAPER & BOXES:** All paper and boxes can be recycled, including newspapers, magazines, junk mail, boxes, greeting cards, cereal boxes, cardboard, phone books and clean pizza boxes. Flatten cardboard items, like cereal boxes, to save space.
- **PLASTIC BOTTLES:** Any plastic bottle, jar, jug or tub can be placed in your curbside recycling. Recycle plastic food and beverage bottles, cosmetics and personal products, and laundry detergent and bleach bottles. Containers should be emptied and rinsed. Replace the cap and put in your curbside recycling.

Not all plastics with the 1-7 symbol are recyclable. See the chart below.

WHAT ABOUT PLASTIC?	INCLUDE IN YOUR CURBSIDE RECYCLING?

For more details about recycling, visit the Cuyahoga County Solid Waste District at www.CuyahogaRecycles.org or <http://www.cuyahogarecycles.org/bentleyville>.

See [Recycling FAQs](#) for Cuyahoga County and information on [how to recycle properly](#). Recycle more, recycle better in Bentleyville.

The Cuyahoga Solid Waste District offers a recycling and disposal search engine for all residents of Cuyahoga County. Find answers to your recycling, disposal and reuse questions by using the “What Do I Do With?” search bar located at the top of every page of at www.CuyahogaRecycles.org.

OTHER RECYCLING

Fluorescent Bulbs

Residents can recycle CFL bulbs (small, twisty bulbs) for free at any Home Depot or Lowe's store. Other types of bulbs, including fluorescent tubes, can be recycled at any Batteries+Bulbs retail location. See http://www.cuyahogarecycles.org/fluorescent_bulbs

Batteries

Recycle rechargeable batteries for free at retail locations throughout Cuyahoga County. See a list of locations at www.call2recycle.org/locator/ See also www.cuyahogarecycles.org/batteries

Computers

Bentleyville has a year-round special pick-up for residents to recycle old, unwanted household computer equipment including CPU's, monitors, keyboards, mice, printers, terminals, modems, software and other peripheral devices and accessories. Televisions are not accepted. Call the Service Garage for details.

PROPER DISPOSAL

Household Hazardous Waste

Bentleyville has a year-round special pick-up for residents to properly dispose of household hazardous waste. Call the Service Garage for details. Learn more about proper disposal of household hazardous waste and see a list of acceptable materials at http://www.cuyahogarecycles.org/hazardous_waste

Latex Paint

Latex and any other water-based paint are not hazardous materials, and are not accepted in the city's household hazardous waste collection. Latex paint should be dried out and disposed of in the regular rubbish. Step by step instructions on how to dry out latex paint is available at www.cuyahogarecycles.org/latex_paint

Medication

The Cuyahoga County Sheriff's Office provides an ongoing disposal option for meds. The Sheriff's RX Drug Drop Box Program allows residents to deposit unused, unwanted or expired prescription drugs at drop boxes in participating law enforcement agencies across Cuyahoga County. Find a drop off for medications at www.RXdrugdropbox.com.

Propane Tanks

Recycle propane tanks and other pressurized cylinders through propane dealers and retail stores that sell propane and other pressurized gas.

Tires

When you buy new tires, dispose of your old tires through your tire retailer at the time of purchase. There is a small fee charged for tire disposal, which is a tax used for transporting and disposing of tires through state licensed facilities. If you already have tires at home, contact one of the following store chains who provide tire disposal for non-customers. These include Conrad's Tire Express, Firestone Auto Care and National Tire and Battery.
