Bentleyville Residents

Re: Do-Not-Knock Registry

Dear Bentleyville Resident:

Due to a recent change in Ohio Law, the Village of Bentleyville Council approved Ordinance 2018-20 on July 18, 2018. The Ordinance adopts the Registration and Regulation of Transient Vendors or “Door-to Door” sales in the Village of Bentleyville.

Residents are now able to add their addresses to the Village of Bentleyville “Do-Not-Knock” Registry. This registry lists the addresses of those that **Do Not** desire to be solicited by door-to-door sales and prohibit the vendors from knocking on your door. Any information submitted may be subject to disclosure under public records law. This registry will expire on December 31st every year and you must renew your registration each year if you wish for the Do-Not-Knock order to remain in effect.

To be added to the “Do-Not-Knock” registry, please email your name and address to the Village Administration at admin@villageofbentleyville.com with “DO NOT KNOCK” in the email subject line. For any questions, please call Village Administration at (440) 247-5055.

Very Truly Yours,

Leonard A. Spremulli, Mayor
