OLD BUSINESS:

PARK'S EVENT CALENDAR: The draft circulated for comment was reviewed and approved. The calendar will be submitted to Jackie for inclusion in the next Village News Letter.

PARK'S RULES AND REGULATION: After discussion, it was decided to table the draft language provided by the Law Director until the next meeting to allow the Committee to review the proposal and ascertain how it will interface with existing ordinances and the Ohio Revised Code.

POLLINATOR INITIATIVE: Pursuant to the plan discussed at the previous meeting to authorize and encourage the planting of native, pollinator friendly plants as companion plants to the existing daffodils on Daffodil Corner, Kathleen Hale reported back to the Committee that the Garden Club of Bentleyville has undertaken the transplanting of perennials from resident donations to Daffodil Corner. This work was done on Tuesday, May 7, 2019 by members of the Garden Club. While this diverges from the original plan, members of the Garden Club were eager to contribute to the idea with a "Neighborhood Quilt" of plantings
