

## *Village of Bentleyville Park Bird Observatory Platform*

*Eagle Scout Candidate, Patrick Sheehan attends St. Ignatius High School and is from Troop 241, St. Joan of Arc.*

*Patrick constructed a bird observatory platform located in the center of the lower meadow along a path to the river among birdhouses.*

*Patrick coordinated with the Village Engineer as well as the service department regarding ideas for his project and clearing out the area. The observatory was constructed from donated composite materials.*
