

Bentleyville Residents

Re: 2020 Do-Knot-Knock Registry

Dear Bentleyville Resident:

For the Year 2020 residents are now able to add their addresses to the Village of Bentleyville “Do-Not- Knock” Registry. This registry lists the addresses of those that **Do Not** desire to be solicited by door-to-door sales and prohibit the vendors from knocking on your door. Any information submitted may be subject to disclosure under public records law. This registry will expire on December 31<sup>st</sup> every year and you must renew your registration each year if you wish for the Do-Not- Knock order to remain in effect.

To be added to the “Do-Not-Knock” registry, please email your name and address to the Village Administration at [admin@villageofbentleyville.com](mailto:admin@villageofbentleyville.com) with “DO NOT KNOCK” in the email subject line. For any questions, please call Village Administration at (440) 247-5055.
