

**PRELIMINARY LEGISLATION**

RC §5521.01

Rev. 6/26/00

**Ordinance/Resolution No.: 2020-12**

**PID No. : 109334**

**County/Route/Section: \_\_\_\_\_**

The following is an ordinance enacted by the Village of Bentleyville, Cuyahoga County, Ohio, hereinafter referred to as the Local Public Agency (LPA), in the matter of the stated described project.

**SECTION I – Project Description**

WHEREAS, the (LPA) has determined the need for the described project:

*Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical-findings reports, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.*

NOW THEREFORE, be it ordained by the Council of the Village of Bentleyville, Cuyahoga County, Ohio.

**SECTION II – Consent Statement**

Being in the public interest, the LPA gives consent to the Director of Transportation to complete the above described project.

**SECTION III – Cooperation Statement**

The LPA shall cooperate with the Director of Transportation in the above described project as follows:

*The State shall assume and bear 100% of all of the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. No financial participation will be required by the LPA. Eligible Bridge Inspection Services are described in the Consultant's Scope of Services Task Order Contract (Exhibit A).*

*The LPA agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the LPA. Starting in October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.*

**SECTION IV – Utilities and Right-of-Way Statement**

The LPA agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.

**SECTION V Authority to Sign**

I, Mayor of said Village is hereby empowered on behalf of the Village to enter into contracts with the Director of Transportation which is necessary to complete the above described project.
