Attendees:

Kathleen Esposito, Chairman  
Kathleen Hale  
Ken Kvacek  
Alex Goetsch  
Terry Hemmelgarn  
Bonnie Goldston  
Lloyd Nagle, Service Director

The meeting was called to order at 10:09 A.M.

Service Director, Lloyd Nagle reported that the tree down in the park will be removed after all the branches, limbs and tree trunks brought down in the December wind and snow storms have been collected. The power outage to the Pavilion will then be evaluated and necessary repairs made.

**Old Business:**

The leak in the Council chamber appears to be caused by a problem with the cupola. Ken Kvacek will check with the Mayor at the next staff meeting about insurance coverage for an Amish roofer who can repair the problem but does not have private insurance. He is employed by a large roofing company and would need to do the repairs on a Saturday.

**New Business:**

A new name has been suggested for our park. An Eagle Scout is building a new sign for the park. It was suggested that River View Park be the official name to be placed on the sign . Bonnie Goldston asked if perhaps there are to many local parks with the word River in the name. After a brief discussion the committee decided to adopt the name River View Park.

A schedule for the 2021 season was discussed. Since we do not know what the Covid 19 situation will be this season all thoughts are preliminary. The possibility of adding a car show was discussed. NOPEC Grant money has been made available again this year. We have submitted a form expressing our interest.

The meeting was adjourned at 10:25 A.M.

The next scheduled meeting is on February 8, 2021 at 10:00 A.M. via zoom.
