Old Business

New Business

The Committee discussed the Welcome Packet delivered to new residents. Suggestions were made to include the following items:

- 1) Information about signing up with RITA.
- 2) Vehicle registration to insure that Bentleyville is the recipient of all appropriate fees.

The Village newsletter was discussed. Bonnie and Kathleen E. will discuss the newsletter and present the information to the Mayor. Hopefully, the finished product can be ready by April.

A schedule for Park activities will be ready to go into the newsletter. Suggestions including clean-up day, Bocce team schedules, possible Yoga classes, pamphlets about wild life and geo caching for parents and children. Small gathering will be allowed however masks will be required. We hope that by fall activities like Booville and the Clambake will be resumed. The Holiday Lighting Ceremony will occur. The format will depend on the status of Covid -19.

The meeting was adjourned at 10:30 A.M.
