

VILLAGE OF BENTLEYVILLE, OHIO

STREETS AND SAFETY COMMITTEE

MARCH 8, 2021

9:00 AM Via Zoom

MEETING MINUTES

ATTENDEES:

- Kathleen Hale
- Terry Hemmelgarn
- Service Director Lloyd Nagle
- Chief Gabe Barone
- Kathleen Esposito
- Ken Kvacek
- Alex Goetsch

REVIEW OF PREVIOUS MINUTES: The Minutes of the February 8, 2021 Minutes were reviewed and approved.

CHIEF'S REPORT:

- We have some new part time hires who will be ready soon to patrol on their own.
- COVID Vaccines are now available in Ohio for Safety Forces. The Department is accessing the Cleveland Clinic MyChart, per the County's directive. The position of the Department is to make the vaccine available, but not compel any officer to be inoculated.
- The annual Police Department Inventory is in process and will soon be available to vore review.

SERVICE DIRECTOR'S REPORT:

- The 2021 Service Department Inventory was reviewed. Finance Chair Ken Kvacek recommended that the Inventory be amended to include equipment that has been identified as ready to sell. An updated report will be submitted to the Mayor, the Finance Director and the Finance Committee.

- The Freightliner truck is back in service after the electrical fault has been repaired (under warranty).
- The truck that is out of service for spring repair is still pending insurance payment decision. Cerni Repair is taking the truck apart and will report to the insurance company.
- The City of Cleveland Water Department hydrant at Solon and Cannon Road that was put out of commission by a vehicle collision is being repaired by Cleveland Water.

OLD BUSINESS:

- The purchase of a second mower was included in the 2021 Budget. The Service Director included quotes for two mowers, once gas powered and the other diesel. Terry Hemmelgarn pointed out that we have a diesel tank on the Service Department premises, and Alex Goestch concurred. The Service Director also prefers the diesel option, because of its projected longer life span. The Kaboda quote is for a still crated 2020 for \$500 less. The Mayor will be asked whether or not three bids will be required.
- Salt is now available for the officer on patrol to apply to dangerous road areas when there is an urgent need. Kathleen Esposito will explore additional signage options to warn drivers and report back.

NEW BUSINESS

- There was no new business.

The Meeting was adjourned at 9:52 AM. The next Meeting would be held April 12, 2021
