

### An Invitation from The Garden Club of Bentleyville

The Garden Club of Bentleyville invites you to be part of our organization! We are already making plans for our 27<sup>th</sup> year, 2021-2022. If you are new to our community and would like to meet neighbors with a love of gardening, this is a great place for you. Or, if you are home more now, and would like to receive ideas and inspirations for your lawn and garden, the club offers those opportunities. We are currently a group of 32 members. We meet on the third Wednesday of the month, September through June. Our meetings are mostly in the mornings, but we do offer several evening meetings throughout the year. Our programs are diverse, and include talented, knowledgeable speakers, hands-on workshops, garden tours, field trips to a variety of venues in the Greater Cleveland area, and participation in activities offered by the Cleveland Botanical Garden, and Holden Arboretum. We also are active in the Village of Bentleyville, helping to maintain the landscaping and various beds around Village Hall, and decorating the Village for the holidays. Our annual dues are \$40, and include memberships in The Garden Club of Ohio and National Garden Club. If you would like to be part of this interesting organization, please contact Kathleen Esposito at 440-773-6382. We look forward to welcoming you to our Club!
