New Business:

- The new Park sign has been completed and installed. The Eagle Scout, Matthew Daniels successfully completed the project. He designed and installed the sign.
- The Committee recommends that the Mayor send a letter of commendation to Matthew. Councilwoman Hale suggested that the Village seek a millstone to place at the foot of the sign as a tribute to the history of Bentleyville.
- The Park tent is reaching the end of its useful life. Lloyd suggested that the Village consider replacing it if we want to continue offering it to residents for their events.
- Councilman Kvacek asked the opinion of the committee about replacing or repairing the generator. Councilwoman Hale and Councilwoman Esposito felt that replacing the generator was preferable. The budget may be the deciding factor in this matter.
- The committee discussed the disposition of equipment in the Service Department and Police Department that has reached the end of its useful life. It was decided to pursue this matter in the late fall. We may look at current state software upload in preparation for this review.
