

VILLAGE OF BENTLEYVILLE, OHIO
PARKS, FACILITIES AND BEAUTIFICATION COMMITTEE
Minutes July 12, 2021

=====

Attendees:

Kathleen Esposito, Committee Chair
Ken Kvacek, Committee Member
Kathleen Hale, Council
Lloyd Nagle, Service Director

The meeting was called to order at 9:25 A.M.

Service Directors Report:

- There are three old mowers at the Service Garage that need to be disposed of with the exception of the tires. Those may be salvageable.
- Graffiti on the Solon Road Bridge will hopefully be removed by the county in the near future.
- A quote for pressure washing at Village Hall has been sought.
- Filler material along the River is being allowed to settle. More will be added in the coming weeks. Heavy rain has not been helpful.
- Dead tree removal is scheduled. The smaller dead trees at the end of the Village Hall parking lot will be removed by the Service Department.
- The National Wild Life Habitat Sign will be replaced on Daffodil Hill.

Old Business:

- A milestone has been suggested for the Park. It would be placed under the new Park sign. Councilman Kvacek may be able to locate one from the original quarry. It will perhaps be requested by a letter from the Mayor.

New Business:

- The refurbishment of the Flag pole area has been discussed. A fund raising effort might be possible.
- The fire pit in the Park is in need of improvement. The possibility of Eagle Scout efforts on the project was discussed.

The meeting was adjourned at 10:00 A.M.
The next meeting is scheduled for August 9, 2021.

Respectfully submitted by; Kathleen Esposito.
