Old Business:

- RITA initiative regarding non or late filers. RITA recommended we participate in subpoena program in 2022. RITA sent a letter and provided an update that the current outstanding remains at \$85,000 or 7% of our annual collections. Nickol will follow up after March 31st. RITA will again send notices in May.
- American Rescue Plan Act of 2021. The grant of \$88,619.40 is being provided to the Village. Expenses to be paid by fund include is North Fork Storm Water repairs \$7,000 (paid), Miles Rd storm water replacement \$76,000, and storm drainage wall replacement on Holbrook \$17,000 (paid). The second payment of these funds of \$42,000 is due in March 2022. We have not received the funds as of yet.
- All capital equipment purchases for the police and service departments are completed. Sales of items on Gov.deals exceeded \$80,000 and the remaining grass cutting items to be sold in April.
- It was previously agreed that with the Hiring of the Service Director and additional part time employee that Village Hall Janitorial services would remain the responsibility of the service

department. The Mayor asked if we can retain this outside service until March before making this change.

- We received notification of the State of Ohio's Opioid Settlement stating the Village would be receiving \$3000-\$4,000. We discussed the possibility of securing a drug drop box. The Chief will review previous quotes for the possible use of these funds.
- The state's capital budget request period is open for 2023-24. It was discussed that we would consider an application for the Village Park to improve accessibility with resurfacing the drive/trail, parking lot and a more permanent restroom. We submitted a grant on 3/18.
- Based on the request from the Chief we discussed a request to hire an additional full-time officer and reduce 400 part-time officer's hours. Also requested to potentially replace an officer that may be retiring from duty. Despite increasing the pay for part-time officers last year, it has been difficult to fill hours in the current market. Nickol presented a financial impact study that would have a possible budget impact of \$2,000 in 2022. Impact to 2023 budget would be \$17,000.00

New Business:
