

## VILLAGE OF BENTLEYVILLE

### LEAF PICK-UP

**STARTS- October 3<sup>rd</sup> (Monday)**

**ENDS- December 2<sup>nd</sup> (Friday)**

- *Leaves should be piled on curb (tree lawn)*
- *Leaves should not be raked into the street*
- *Branches, twigs, and flower cuttings must not be put in the leaf piles- as they will clog the vacuum equipment and slow down the pick-up process.*
- *Inclement weather will slow down pick-up and may delay collection.*

**Please have all leaves places out for collection**

**NO LATER THAN FRIDAY, December 2<sup>nd</sup>.**

- **After the final pick-up, residents “should bag leaves for collection with their regular trash pick-up.”**
