

"Water line replacement on Maple Street in the Village of Chagrin Falls will commence Monday, January 22, 2024, and is estimated to be completed by May 31, 2024.

During this project part of Maple Street and Solon Road to Miles Road will be closed, and detours have been posted. Bentleyville residents are advised to follow the detours when traveling to or through Chagrin Falls until completion of the project. No roads in Bentleyville will be closed."
